

Podatkovni list izdelka: LID12570--

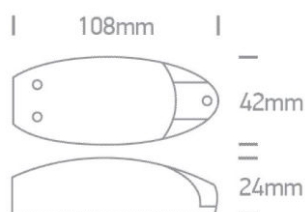

# Transformator 230V - 12V AC, 10-60W, zatemnilni **ECONOMY**

Dimmer leading &amp; trailing edge

## Tehnični podatki

|                         |              |
|-------------------------|--------------|
| Proizvajalec            | 06-One Light |
| Vhodna napetost AC (V)  | 230          |
| Izhodna napetost AC (V) | 12           |
| Moč (VA) (VA)           | 60           |
| Možnost zatemnitve      | Da           |
| Pribor                  | Napajalnik   |
| DxŠxV mm                | 108x42x24    |
